### Washington vs. Los Angeles in 2009

The Sol opened the scoring ledger in the 14th minute. French international midfielder Camille Abily placed a shot into the left side of the net. The goal was Abily's fourth in as many matches and her fifth overall this season, tying her with the Boston Breakers' Kelly Smith for the WPS lead. The teams traded chances in the latter stages of the half, but neither converted and the home side carried the slimmest of margins into the break. A free kick for the Freedom some 40 yards away from goal, was taken by defender Cat Whitehill. The kick resulted in the ball bouncing around the box, and Sonia Bompastor jumped on it for the Freedom and tied the score 1-1 in the 57th minute. The Sol were quick to regain the lead, however. In the 60th minute, a hand ball in the box by Cat Whitehill resulted in a successful penalty by Abily for the Sol. In the 66th minute, the Sol extended the lead to 3-1. Bock and Marta worked a give-and-go on the left side of the area, concluding with a goal to a final score of 3-1.

### Freedom Recap

Lindsay Tarpley broke a 1-1 tie in the 61st minute to lead the Chicago Red Stars to a 2-1 victory over the Washington Freedom in a game played Wednesday July 1 at TOYOTA PARK. The Freedom jumped out to a 1-0 first half lead when Abby Wambach scored in the 34th minute on an assist from Lisa De Vanna, but despite some close shots it was the only goal Washington would score in the game. The Freedom did come close, particularly in the last few minutes of the match, but ultimately could not find the back of the net a second time. Cristiane started the scoring in the second half for the Red Stars with a goal in the 48th minute after being set up Tarpley. Tarpley's winning goal was assisted by Megan Rapinoe. Freedom goalie Erin McLeod faced 28 shots (10 on goal) and notched eight saves overall while Red Stars goalie Caroline Jonsson picked up seven saves on 16 total shots (eight on goal).
